<b>Prepared/Revised By:</b>	Paige Harris	<b>Date:</b>	8/2/2023
<b>Purpose:</b>	To assist students, instructors, and employers with accessing duplicate American Heart Association cards.		
<b>Requirements:</b>	Need access to Lumens and to the AHA site ( <a href="http://www.heart.org">www.heart.org</a> )		

### Student Requests

Students who attend American Heart Association (AHA) classes receive a completion card. These cards are emailed to students (from [eCards@heart.org](mailto:eCards@heart.org)) after the class is completed; however, students sometimes need a duplicate. If a duplicate is needed, we will email those at no charge:

- 1) Confirm that the student's contact information is correct in Lumens
- 2) Verify that the student completed the class in Lumens
- 3) Visit <https://atlas.heart.org/> and login with the credentials below:
  - a. Username: [contactce@kirkwood.edu](mailto:contactce@kirkwood.edu)

## Instructor Requests

When an instructor calls requesting verification of their student's claimed cards, we will email the instructor the instructions below. OPS will not look up entire classes or verify students for the instructor. If the instructor has difficulties or pushes back after the directions were sent, we can assist or connect that instructor with the Program Developer.

The following are instructions that can be emailed to the instructor:
